

Public Meeting Results
Map from Public Workshop 4/15/19

- Preserve & Protect
- Managed Change
- County Boundary
- Freeways and Expressways
- Major Arterials
- Communities
- City Boundaries
- Development Opportunities**
- Committed Land
- Uncommitted Land

NOTE: This map illustrates the overlay of the 11 groups map exercises to identify areas to protect and preserve in blue, and areas for managed change in red. The darker the color, the more frequently groups identify the area for that level of action.
